

**GENERAL ADMINISTRATION**

**Policy 1420**

**School/Community Relations**

**Community Use of School Facilities**

The primary purpose for the purchase, acquisition and construction of facilities and properties by the Webb City R-VII School District is to meet the instructional and activity requirements of the programs offered to its students. No non-school/non-curricular activities shall be permitted on school grounds or in buildings during school hours. Facilities may be used during school hours as polling places. Community service groups such as Rotary Club, Community Betterment, BPW, Chamber of Commerce, and others similar in purpose, shall be extended the opportunity to hold meetings, provided the classroom process is not interrupted. Facilities and properties may be utilized for non-school-related purposes during non-school hours subject to the regulations set forth by the Webb City R-VII Board.
