

# Cardinal Camp

Current K thru 2<sup>nd</sup> grade -- Keep This Information page

**When:** June 3rd - June 28th 7:55 A.M. - 2:40 P.M.

**Where:** Webster Primary 700 N. Main St. Webb City, MO

This year's summer school program will allow our students to explore a variety of topics while practicing, maintaining and enriching our school district's learning objectives. Additional classes will be offered in music, physical education, and computer. We will also continue the tradition of weekly field trips, weekly prize drawings for students that have perfect attendance for that week, and special on-site activities.

Get your child's application turned into the school by **May 1st** to be in a drawing to receive a PS4. You must be present the first day of Cardinal Camp to win! Everyone who gets their application form turned in by **May 1st** will have a special treat waiting for them on the first day! A drawing at the end of the Cardinal Camp session for students that have perfect attendance throughout the program for larger items such as electronic tablets and bikes will happen on June 28th!

Our teachers have developed great classes that will be fun and entertaining as well as engaging and educational for our students. We look forward to sharing this great time with your child. Turn this page over for *list of bus times for pick up/drop off*. If you have any questions in regards to Cardinal Camp at the Webster, please feel free to contact Dr. Stacy Hollingsworth at 673-6055.

Once we have entered your enrollment, we will be sending your student's group number and additional information home for you sometime in May to help the first day of Cardinal Camp go smoother. Your child's group number is something we ask you teach your student so they know it the first day!
